3.1 The Supplier shall, from the Effective Date, provide to the Customer the following Cascade Secure Audit services (“**Kascade Secure Audit Services**”):

| | |
|-------------------------------|--|
| Kascade Secure Audit Services | <p>The Supplier will provide a security review and report for each of the Customer’s Site(s) (as further detailed below):</p> <ul style="list-style-type: none">• Full Review (to be conducted once per annum (on such date and at such time as agreed between the parties)). The full review will include:<ul style="list-style-type: none">○ A security check will be run against the external and internal components of the Customer’s network (this will be conducted by the Supplier, at the Supplier’s sole option, either remotely or at the Site).○ Following the security check, the Supplier will attend the Site (at such date and time as may be agreed between the parties) and the findings of the security check will be presented and discussed in a meeting with the Customer’s IT representative along with a Q&A session on topics both raised [by parties] and current best practice guidelines around security.○ The Supplier shall prepare a report following the meeting that details key issues within the Customer’s network, including the Supplier’s recommendations to remedy such issues, with prioritised actions.• Interim Review (to be conducted up to three times per annum (on such date and at such time as agreed between the parties)).<ul style="list-style-type: none">○ A security check will be run against the external and internal components of the Customer’s network (this will be conducted by the Supplier, at the Supplier’s sole option, either remotely or at the Site).○ Following the security check, the Supplier will attend the Site or conduct the security check remotely (at such date and time as may be agreed between the parties). Thereafter, a short |
|-------------------------------|--|

| | |
|--|---|
| | <p>meeting will be held between the Supplier's consultant and the Customer's IT representative to discuss any additional concerns raised and progress made against the recommendations from the Full Review.</p> <ul style="list-style-type: none">○ The Supplier shall prepare a report following the meeting that details key issues within the Customer's network, including the Supplier's recommendations to remedy such issues, with prioritised actions. |
|--|---|

4 ADDITIONAL TERMS

4.1 The following additional terms apply to the provision of the Cascade Secure Audit Service.

4.2 Additional Costs and exclusions to the Cascade Secure Audit Service:

4.2.1 All meetings requiring Site visits will have expenses charged in addition to the Charges, such expenses to be charged and payable in accordance with the Terms.

4.2.2 The Cascade Secure Audit Services will take place during Standard Business Hours

4.2.3 The Customer is responsible for the remediation of any findings detailed in each report.

4.2.4 The Customer may request that the Supplier conducts any remedial work on the Customer's behalf. Any remedial services will be subject to a Change Order being agreed in accordance with the provisions of clause 10 of the Terms.

4.2.5 The Cascade Secure Audit Service is developed to ensure that the Customer adopts a good practice security posture which will prevent many Intrusions. However, is not a guarantee that an Intrusion will not take place.

4.2.6 Audits must be booked at least one month prior to the audit being due. Both parties will discuss and agree a mutually convenient date and time for the Supplier to provide the Cascade Secure Audit Services. If the Customer cancels the booking so that the Supplier cannot perform the audit on the agreed date, the Supplier will use reasonable endeavours to reschedule the audit. However, failure to adhere to the date set may mean the works are unable to be rescheduled and the window of the audit is missed until the next period.

4.3 Description of Personal Data Processing

4.3.1 Both parties acknowledge and agree that the Supplier shall not process any Personal Data on behalf of the Customer during the course of providing the Cascade Secure Audit Service.
